### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The prior art does not teach the claimed motor including the combination of "a connector...which is directly joined to the connecting portion of the brush holder at a location radially outward of an opening of the yoke housing..., wherein the connecting portion of the brush holder and the connecting portion of the connector are clamped between the yoke housing and the gear housing" (claim 1); or a method including the steps of "clamping the connecting portion of the brush holder and the connecting portion of the connector between the yoke housing and the gear housing in a manner such that the connecting portion of the brush holder and the connecting portion of the connector are joined together...at a location radially outward of an opening of the yoke housing" (claim 9).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Information Disclosure Statement***

2. The information disclosure statement (IDS) submitted on 07 April 2005 has been considered by the examiner.

### ***Conclusion***

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
